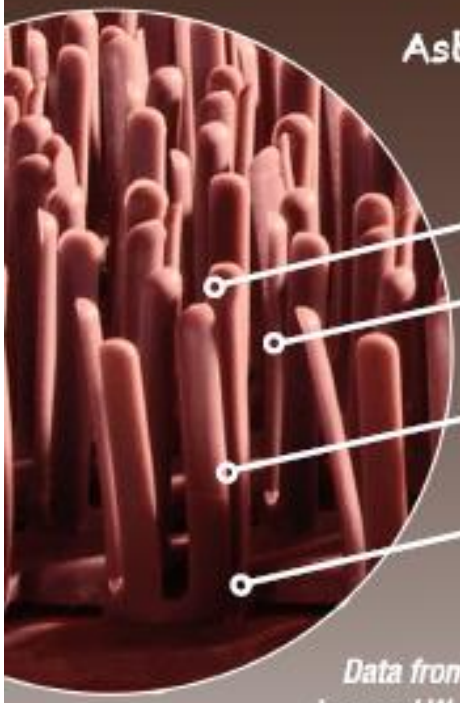
Engineering features built into every AstroTurf® NXT Nesting Pad pay BIG benefits!



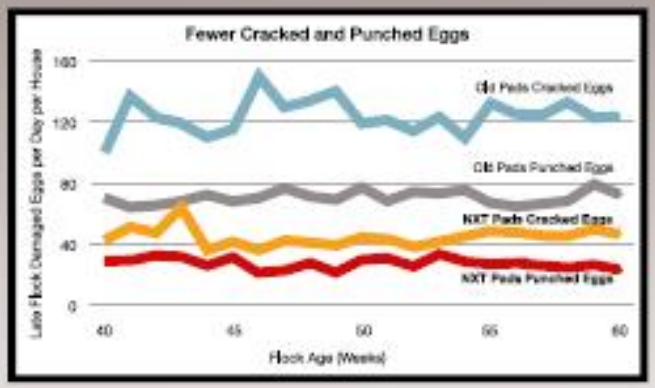
- Rounded Tips
- Proprietary Plastic Formulation
- Straighter Thicker Blades
- Thicker, Stronger Blade Base

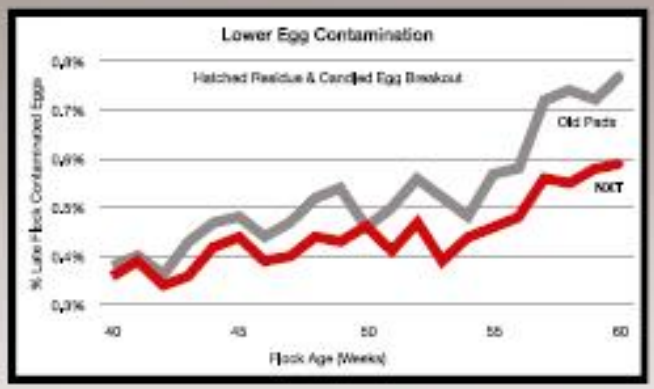
Hens are attracted to our pads and continue to use the nest

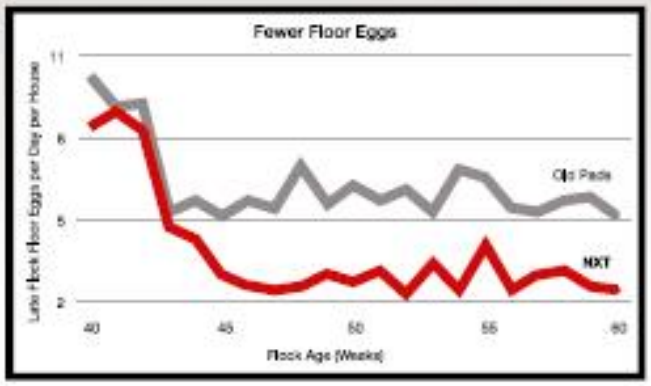
Eggs roll straighter and truer ensuring less "hung up" and cracked eggs.

Clean eggs continue longer into life of the NXT nesting pad

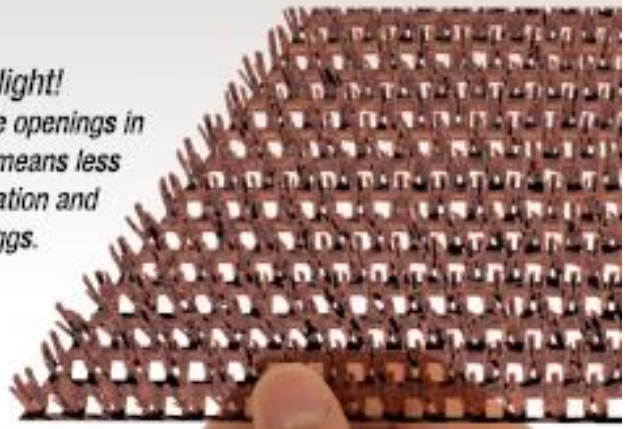
Data from 2017 report of whole house integrator trial administered by: Leonard W. Fussell D.V.M., M.A.M. and Andrea Zedek D.V.M., M.A.M., A.C.P.V.







See the light!
40% more openings in the base means less contamination and cleaner eggs.



Going Cage-Free?
AstroTurf ® NXT Nesting Pads are the perfect compliment to help reach your goal.
