CASH-BACK 17 YEARS COUNT ON IT SINCE 2004 DIVIDENDS

Farm Credit Services of America customer-owners share our earnings in the form of cash-back dividends.

- Distributed in the form of a check!
- Check amounts are based on a customer's average loan volume during the calendar year.
- Cash-back dividends have been paid 17 consecutive years, totaling $2.2 billion.
- The Board of Directors intends to pay a dividend that has historically approximated 1% of a customer's eligible average daily loan balance each year, barring any unforeseen events.
